

Specification of DL-Methionine

Items	Specification	Standard
Appearance	Almost white, crystalline powder or small flakes.	EP
Content ,%	99.0~101.0	
Identification	First identification: A, C Second identification : B, C, D	
Appearance of solution	Clear and colorless	
PH value	5.4~6.1	
Chloride, ppm	≤200	
Sulfate , ppm	≤200	
Heavy metals, ppm	≤10	
Loss on drying, %	≤0.5	
Sulfated ash ,%	≤0.1	
Shelf Life	2 years	
Storage Condition	Keep in Dry and Clean
