
MATERIAL SAFETY DATA SHEET

1. PRODUCT

Product Name: Lipo-Vida™ Liposomal NR 50%

2.COMPOSITION/DATE ON COMPONENTS

Molecular Formular: $C_{11}H_{15}N_2O_5 \cdot Cl$

Molecular Weight: 290.70

CAS Number: 23111-00-4

Effective material sources: Nicotinamide Riboside Chloride (NR)

Chemical characterization: pure natural product without any additive.

Description: Light Yellow powder

3. HAZARD IDENTIFICATION

Hazard description: not applicable.

Information pertaining to particular dangers for man and environment: not applicable.

4. First aid measures

General information: no special measures required.

After inhalation: Supply fresh air; consult doctor in case of complaints

After skin contact : generally the product does not irritate the skin.

After eye contact: Rinse opened eye for several minutes under running water.

5. FIRE FIGHTING MEASURES

Suitable extinguishing agents:

CO2, extinguishing powder or water spray. Fight larger fires with water spray of alcohol resistant foam.

Protective equipment: No special measures required.

6. ACCIDENTAL RELEASE MEASURES

Measures for environmental protection: No special measures required.

Measures for cleaning/collection:

Pick up mechanically avoiding causing a stir.

Additional information: No dangerous substances are released.

7. HANDLING AND STORAGE

Information for safe handling: No any effect.

Information about protection against explosions and firms: No special measures required.

Storage: Keep in a cool and dry place, away from light and heat. Metal containers are not used.

Information about storage in one common storage facility: Not required.

Further information about storage conditions: None.

Storage class: no special requirement.

Address: East of Tianmu Road, Laiyang Development Zone, Yantai City, Shandong Province, 265200, China

8. PERSONAL PROTECTION

Personal protective equipment: no requirement.

Breathing equipment: common mask.

Protection of hands: Not required.

Eye protection: Not required.

9. PHYSICAL AND CHEMICAL PROPERTIES

Form: Light Yellow powder

Odor: Characteristic

Moisture: not more than 5%

10. STABILITY AND REACTIVITY

Thermal decomposition / conditions to be avoided:

No decomposition if used according to specifications.

Dangerous reactions: No dangerous reactions known.

Dangerous products of decomposition:

No dangerous decomposition products known.

11. TOXICOLOGICAL INFORMATION

Acute toxicity: none

Primary irritant effect: Antioxidants

On the skin: no irritant effect on the skin. The inhalation of powder can irritate the respiratory tract.

On the eye: No irritant effect.

Sensitization: No sensitizing effects known.

Additional toxicological information:

When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

12. ECOLOGICAL INFORMATION

General notes: Not hazardous to water.

13. TRANSPORT INFORMATION

ADR/RID class: By sea or By air

Address: East of Tianmu Road, Laiyang Development
Zone, Yantai City, Shandong Province, 265200, China

14. FURTHER INFORMATION

The above information has been presented to the best of our knowledge and is believed to be correct. However, it may not be accurate or inclusive, should only be used as a guide, and is provided without warranty of any kind.

Among others, the recipient of this product is responsible for considering appropriate safety precautions and ensuring that existing laws and guidelines are fully observed. We will not be held liable for damages resulting from handling, contact or use of this product.
